

The purpose of this amendment is to correct a typographical error and to provide the final SF 33 Form. The OASIS PMO does not anticipate any more amendments to the solicitation.

FINAL PROPOSAL DUE DATE:

THE SOLICITATION CLOSING OF WEDNESDAY, OCTOBER 30th, 2013; 4:00 P.M.; CENTRAL DAYLIGHT TIME (CDT) REMAINS UNCHANGED.

SF 33:

OFFERORS MUST ACKNOWLEDGE RECEIPT OF ALL AMENDMENTS IN THE FINAL SF 33 AS FOLLOWS:

Since there are only 4 blocks for amendment acknowledgement on the SF 33 form itself, GSA will accept the amendment acknowledgement on the SF33 if you type or manually write **"Amendments 01 through 11"** and date it the date of this last amendment **"10/21/2013"** in only one of the blocks in Block 14 of the form.

REVISION TO THE SOLICITATION:

The example for determining the total cumulative value for a collection of task orders in the answer to Question 94 in Amendment 03 and Amendment 09 had a typographical error in the task order dates. The example dates were meant to span 36 months, not 48 months. The following example is replaced in its entirety for conformity; however, the only changes were made to the task order dates in order to span 36 months. Replace "For example" in Section L.5.3.1., in its entirety as follows:

For example:

Projects 1 through 4 are stand-alone projects (task orders or contracts) that are **not** tied to a collection of task orders under a Single Award IDIQ or BPA as follows:

- Project 1 is completed with an annual obligated value of: \$1,000,000
- Project 2 is ongoing with an annual estimated value of: \$2,000,000
- Project 3 is ongoing with an annual estimated value of: \$3,000,000
- Project 4 is completed with an annual obligated value of: \$4,000,000

Each of the 4 stand-alone projects exceeds the 150K per year minimum requirement.

Project 5 **Alternate** is a **single** project that is tied to a "collection of task orders" under a Single Award IDIQ or BPA. Add up the obligated or estimated value of **every** task order award under the IDIQ or BPA and divide the total by the total of months awarded. For example, the IDIQ or BPA has 10 total task orders placed against it as follows:

- Task Order 1: January 2011 - December 2011 \$1,000,000
- Task Order 2: March 2011 - December 2011 \$ 250,000
- Task Order 3: April 2011 – December 2011 \$ 750,000
- Task Order 4: June 2011 – December 2011 \$1,500,000
- Task Order 5: August 2011 – December 2011 \$ 500,000
- Task Order 6: September 2011 - December 2011 \$ 800,000
- Task Order 7: January 2012 - September 2012 \$ 200,000
- Task Order 8: January 2012 - December 2012 \$3,000,000

- Task Order 9: August 2012 - July 2013 \$1,500,000
- Task Order 10: January 2013 - December 2013 \$ 500,000

The total cumulative value of the 10 task orders is: \$10,000,000

The total cumulative period of performance began at Task Order 1 in January 2011 and goes through Task Order 10 in December 2013. This equals 36 months.

\$10,000,000 divided by 36 months multiplied by 12 yields an average annual value of \$3,333,333.33.

Project 5 Alternate exceeds the \$150K per year minimum requirement.

The Total Combined Annual Value of Projects 1 through 5 exceeds the minimum requirement of \$3.75 Million per year.

END OF AMENDMENT 11
